SKYWRIGHTER

2006 “An All-American Evening....and All That Jazz”raises \$54,000+

The Fisher/Nightingale Houses, Inc. raised more than \$54,000 during its third annual “*An All-American Evening....and All That Jazz*” at the National Museum of the United States Air Force on April 29. One hundred percent of the proceeds from the event support the day-to-day operations of the Fisher and Nightingale Houses compassionate care homes located at Wright-Patterson Air Force Base, Ohio.

Held in partnership with the Air Force Association, the event provided guests with a wide variety of items from which to choose during the live and silent auction. All auction items were donated by community and business members and individuals.

“This year we worked hard to make this a community event, and it paid off,” said Melissa Weaver, event chairperson. “We exceeded all the goals we set for this year. We sold more than 250 tickets, collected more than 165 auction items and raised more money for FNHI than we expected. Without the tremendous support of our community on and off base, we could never make this event the success it is.”

Guests enjoyed gourmet fare, including a seafood bar and carving station, prepared by the Wright-Patterson Club and Banquet Center’s Master Chef David Glynn, as well as wine and beer tasting.

“The highlight of the evening was an incredible performance by the Beavercreek High School Jazz Ensemble,” Mrs. Weaver said.

The Fisher and Nightingale Houses provide a safe and comfortable place where military families can stay while they receive medical care at the Wright-Patterson Medical Center. Active duty and retired military families of all branches of the service and the Guard and Reserve are welcome on a space available basis.

Plans are already in the works for next year’s All-American Evening to be held on April 28, 2007. For more information, please contact Chris Stanley, Executive Director of Fisher/Nightingale Houses, Inc., at (937) 372-5784, or visit www.FNHI.org.
